Yes, they may be small and only live for about 10 days, but they have the power to spread disease and quite frankly, really annoy people! We're not fans of these little buggers but it's important that we talk about them and how they work.

I'm Small...but I Am Mighty! - Xyza - News for Kids

The original premise of Phillip Winterberg's Bin ich klein? (Am I Small?) is simplicity itself, is basically and sweetly straightforwardly that size is always and forever relative and that depending on the body types and proportions of those around us, we are perceived as being at times small and at times large (and thus, we are everything, and therefore just right).
