Number ranging from 702 through 704, these were built before 1976. On these units, the number immediately following these three digits, will designate the actual year of production.

Choose Your Quadrajets: Number Identification Guide

Carter produced Rochester Quadrajets carburetors for their rival maker whenever demand outpaced Rochester's ability to make them. They were identical to Rochester's units except the Carter name was stamped into the body. In Carter's final years in the early 1980s, they also produced Weber carburetors under license, such as the three-barrel Type 40IDA sold as replacements (or fuel injection ...
