~~Comparative Criminal Procedure: History, Processes, and ...~~

The standard inquiry into the extent to which participants' human rights are respected in the criminal process could be augmented, for example, by research into the (comparative) relevance of bureaucratic interests and lawyers' professional interests in shaping the process,

by studying the relationship and interactions between public security (police) law and criminal procedure law, and by looking into the influence of economic considerations on the criminal process.

Legal procedure. Although different legal processes aim to resolve many kinds of legal disputes, the legal procedures share some common features. All legal procedure, for example, is concerned with due process. Absent very special conditions, a court can not impose a penalty - civil or criminal - against an individual who has not received notice of a lawsuit being brought against them, or who ...
