Donald School Textbook Of Human Reproductive Gynecological ...

Ian Donald CBE FRFPGlas FRCOG FRCP was an English physician who was most notable for pioneering the diagnostic use of ultrasound in obstetrics, enabling the visual discovery of abnormalities in pregnancy. Donald was Regius Professor of Obstetrics and Gynaecology at the University of Glasgow. Donald's work was characterised by a series of collaborations between clinicians and engineers that led to the designing and building of a series of instruments that enabled the examination of the unborn an

Ian Donald - Wikipedia

The Ian Donald International School of Ultrasound bears testament to globalization in its most successful and worthwhile form. The school was founded in Dubrovnik in 1981; in the preface of the first edition in 2004 we were proud to announce that the School had grown to 8 branches. Since then, the growth has been meteoric and now consists of 55 branches in almost every corner of the globe.
