Network of legal experts in gender ... - European Commission

The purpose of gender recognition procedures is to overcome this gap, giving official recognition to a trans person ' s gender identity. Gender recognition goes beyond being an administrative act: it is essential in order for many trans people to be able to live a life of dignity and respect. The Council of Europe demands that its member states provide for legal gender recognition, but only 30 countries in Europe have robust legal procedures, and only 5 currently do not demand that trans ...
