Hello Thomas, I have had two M.D.S engines a 40 and a 48 what i had in a trainer years ago and they would set fine on the ground but always seemed to cut out in the air, after lots of fiddling on trying to get them to run right they never did so out they came thrown in the bin and replaced with a invine 40 and never looked back on them horrible useless engines.. That Was my opinion on these ...
