Amazon.com: Customer reviews: Quantum Pad Library: 3rd ...

I'm a little disappointed about the Smart Guide to Third Grade, not because it's not good, but because it doesn't offer much more than the sample book that came with the Quantum Pad. I'm sure that someone who has the LeapPad will get more use out of it, but if I had known that the only major bonuses are in the math section, I would have purchased the Third Grade Math Book instead.
