The Scandinavian defense is also called "Center counter defense". Let's talk about the opening. It's an underestimated opening, but those who play they know that it's worth playing. Scandinavian defense's pawn structure is like Caro Kann. but if black is not playing with the correct move order he will be punished in the opening.

Scandinavian Defense Traps - Chess Only

Black has very solid position in Scandinavian just like in caro kann, So don't underestimate this defense be prepared against it. What is White's plan in Scandinavian Defense? White has a space advantage with his d4 pawn and a tempo, So you must try to get this advantage by timely pushing d4 pawn and break black's solid pawn chain.
