Get Free Social Welfare And

Individual Responsibility For And Against

Social responsibility is an ethical framework and suggests that an individual has an obligation to work and cooperate with other individuals and organizations for the benefit of society at large. Social responsibility is a duty every individual has to perform so as

Get Free Social Welfare And

to maintain a balance between the economy and the ecosystems. A trade-off may exist between economic development, in the material sense, and the welfare of the society and environment, though this has been challenged by many reports o
