My Timex T311T Auto-set clock did not update this past Sunday morning with the time change. I've tried unplugging it, and removing the two AAA backup batteries, and when I give it juice again, it refuses to auto set. I've had this clock for a few years and it has never misbehaved. Any one else experience this with a similar model this weekend? Or am I missing something? posted by tdischino to ...
